A. Formatting

The offset press request the entire layout and formatting of the inside pages be saved as a PDF file with all fonts and images embedded and saved at 300 dpi resolution.

The inside pages should be created to the finished trim size of the book and saved as one complete PDF file containing all inside pages.

Add blank pages wherever you feel is appropriate to end up with an (even) number of pages.

The outside cover like foil stamping file should be composed together as one separate file including the front, spine, and back cover.

Extend an .125 inch bleed all around the perimeter of the composed book cover.
